

PRE-FIRE PLAN CERTIFICATION

Vessel: RCT-104

Official# 624051

This Certificate is issued in accordance with 33CFR155.4035, Paragraph (b) (2)

T&T BISSO, LLC, as a Salvage and Marine Firefighting Resource Provider under the Salvage and Marine Firefighting Regulations, 33 CFR 155, finds the referenced vessel pre-fire plan acceptable and agrees to implement the plan to mitigate a potential or actual fire based on the overall response objectives and safety considerations.

Any T&T BISSO subcontracted marine firefighting resources, including any public fire service resources which have provided written consent to be listed in this vessel's response plan, will be provided a copy of the referenced pre-fire plan.

A handwritten signature in black ink, appearing to read "Tim Dickensheets", written over a horizontal line.
